### What's a hit-a-thon?

A hit-a-thon is a little leaguer hitting contest. 3 pitches will be delivered to each player (or until they get a solid hit). All 3 fields will be set-up by age divisions and zones will be marked with distance values. The farther the hit ball travels in the air, the more points the player is awarded. The furthest hit ball of the 3 pitches determines the overall score for that player. The player with the highest point total for the division wins a Trophy. Team points for an end of year pizza party will be accumulated for every participant on the team, regardless of how many sponsorships were raised by the players. The more of your team that participates the better.

**The goal for each player is to raise \$100.00 in sponsorships.**

For example:

- 1 sponsor @ \$100 ea
- 5 sponsors @ \$20 ea
- 10 sponsors @ \$10 ea
- 20 sponsors @ \$5 ea

This can be used as a Tax-deductible donation!!

### Prizes
